

# SPRING FLING

*American Sewing Guild  
The Richmond, Virginia Chapter  
April 13, 2019*

Meet Adrienne Bennett, a milliner, who comes to us from the Northern Virginia ASG Chapter. Adrienne was a special education teacher who sought a creative outlet that blended her love of sewing and genealogy. She began using a photograph of her grandmother making a hat she was wearing. From this Adrienne began her formal training in 2003. She has taken classes from Jan Wutowski, Wayne Wichern and other well-known milliners. Adrienne now creates chic high-end event hats for the horse races, weddings and funky fun “everyday” hats for the beach, wine festivals and other events.

Meet Molly Wilshere the designer of the “Yes Dress”. Yes Dress is the only dress that can be worn 1001+ ways. The dress is made from natural fibers and hand dyed. The Yes Dress is great for any occasion. Molly will share the different ways the Yes Dress can be worn, and her story concerning her design. Molly has been sewing for over twenty years and teaches sewing from making the Yes Dress, quilts, crafts only to name a few.

This is a FREE event. However, we are asking our members to bring a salad or summer type dish to share for lunch. Items that don't need to be heated. Think Spring!

There will be vendors and door prizes. To brighten the occasion, wear your Spring outfit. And, if you want to wear a hat, Easter bonnet or fascinator you will receive an extra ticket for a door prize. Let's be creative with the fascinators. They can be as small, large or go funny with them.

Guests are welcome. RSVP if you plan to bring a non-member [dportwood1@verizon.net](mailto:dportwood1@verizon.net)

Place: St. Matthews Episcopal Church 1101 Forest Ave Richmond, Va.  
Time: 10:00 am to 3pm
